TO KEEP CONSTANTINOPLE TURK MUST SHOW REFORM

Ottoman Warned That Massacres of the Armenians Must be Ended

Meanwhile 7,000 More Slain, and 150,000 Others in Deadly Peril

(A. P. Special Cable.) London, Feb. 17.—Great Britain, it was learned to-day, has instructed Admiral De Robeck at Constantinople, to announce there the fact that the Allies have decided not to deprive Turkey of Constantinople. If the persecution of the Armenians continues, however, the admiral was instructed to say, the peace treaty with Turkey may be considerably modified. The fact that continued possession of Constantinople had been granted her should not be misconstrued by Turkey, the British representative was directed to inform the Turkish Government in plain words. It did not mean, he was told to say, that the Allies would deal leniently with Turkey should the recently reported atrocities continue. The Allied Supreme Council to-day considered the latest reports of massacres of Armenians. Note was made of the fact that the reports for the most part emanated from Armenian sources.

DOLLAR DAY

Postponed Owing to Epidemic of Influenza.

The Executive committee of the Hamilton Ad. Club has decided as a public service to indefinitely postpone "Dollar Day" announced for Feb. 19th, owing to the prevalence of the influenza epidemic. The committee's decision was largely influenced by the suggestion made by the medical health officer, and a view to aiding the authorities in their endeavors to prevent the spread of the disease. The large crowds of buyers who were anticipated this event with interest, are assured by the merchants cooperating that they will be amply repaid with special values, when an opportune time arrives for the holding of this bargain-day feast. In the meantime, however, the health of the community receives first consideration. Health authorities are pleased with the action of the Ad. Club and wished to warmly commend the members for their noteworthy stand. They would be glad if other clubs and societies would follow a similar course, until there is no possibility of the epidemic spreading.

AGED INMATE STAGED FIGHT AT ST. PETER'S

J. Appleyard Broke Chair Over Grey Head of Wm. Duckett.

FRAUD CHARGED

John Cahill Said to Have Got \$100 From the D. S. C. R.

The peace and tranquillity of St. Peter's infirmary was broken yesterday, and as a result, John Appleyard, one of the inmates, appeared in police court this morning, accused of having assaulted William Duckett in an aggravated manner. The complainant stated that yesterday he was taking breakfast to a bed-ridden inmate, on his way, opened one of the windows in a room. John got sore over this, and hit Duckett over the head with a chair, spouting both it and the top of Duckett's koke. "He is a bad tempered old man," stated the defendant. Appleyard swore that he had only tried to defend himself. He was allowed to go on promising that he would try to get another place to stay, where he would not be causing trouble. Joseph Cahill, 2 East 19th street, was retained for one day on a charge of obtaining \$100 from the Federal Emergency Appropriation. Irwin Johnson, of the D.S.C.R., stated that he issued a certificate for the money to Cahill, believing him to be out of work. But he had employed to go to V.A. Freeman Company's coal yards, where he worked seven days in January. On behalf of the prisoner, it was stated that he was unable to do heavy work. He was released for examination.

John McKenna, 35 Clifton street, and Ralph Brillingham, 400 Avenue were accused of committing breaches of the Lord's Day Act. Sergeant May stated that at the coal yard, owned by the former, Brillingham was shovelling coal on Sunday. But as this was not his regular occupation, he was allowed to go. As McKenna was not working, a charge against him was dropped. Maxine Titorenko, 55 Arthur street, and Frank Desila, 55 Arthur street, were both accused of being drunk and disorderly yesterday. Josef Sendak, being the complainant. Josef swore that the men came to his place, 60 Imperial street, intoxicated. Considerable Spanish swore that he went without having had a drink at a place, and found the prisoners both there. They had apparently been drinking. As Desila admitted being drunk he was fined \$25. Titorenko was allowed to go. William Nicholson, 171 King street west, and Harry Cox, 99 Bay street north, were charged with having committed a breach of a city by-law, in that they delivered a load of coal without having had it weighed at a city weight scale. "It went the coal out on Saturday."

Make Street Car Loop on Merrick and York

To convert York street car line into a loop and do away with the necessity of widening Merrick street at a large expense was the suggestion made by Controller Davis to his confidants after the Property committee meeting last night. His suggestion met with instant favor among the aldermen present. His idea is to bring the double track on York street as far as they street only, and at the street to continue the east bound cars on York street, to James, then northerly to Merrick and westerly on Merrick to Bay, where the double-track on York street would be joined. This would mean a single track only on Merrick street from Bay to James. Instead of a double track as is proposed and to accommodate which it is proposed to widen that street. It would also mean a single track on York street from James to Bay, which would relieve the most congested part of that exceedingly busy street. It would also do away with the stop of the York street cars at James street. The cost of making the changes would be a trifle compared with the cost of widening Merrick street and building a double track upon it, and the loop would also do away with the necessity of cutting a slice off the whole north end of the market, turning down the market street and the two new market streets, one of which is already almost finished and the cement floor laid for the other.

BAN IN DUNDAS

On All Dances, Concerts and Such Affairs.

Dundas, Feb. 17.—Mrs. Charles Frost is seriously ill at her home here following a stroke this morning. She has a long health as usual and the sudden illness was quite a shock to a family and friends. Dr. T. A. Bertram, M.O.H., to-day issued an order putting the ban on all dances and public concerts, etc., in Dundas from now on until the "flu" epidemic shows signs of abating. Dundas has not suffered very much yet, but the health authorities think it better to use every possible precaution to check the epidemic which has begun to show itself in town. CITY REVENUE EXCEEDED ESTIMATE BY \$132,778.62

Total For Year of 1919 Amounts to But a Little Short of \$4,000,000

Statute Labor Tax Has Almost Disappeared—Some Large Surpluses

City Treasurer Leckie has prepared for the Board of Control a statement showing the actual receipts for the year 1919, compared with the estimated revenue. It is an interesting set of figures and shows good management of the various departments generally during the year. The city entered in 1919, \$132,778.62 more than the city fathers and heads of departments figured upon a year ago. The excess of water rates is the largest item, amounting to \$37,316.31.

General taxes also ran \$24,016.45 over the estimates. A very important item in the Metro-Elcric works which cost \$20,715.19 above what had been calculated. Other large surpluses were city hospital receipts, \$15,658.20; and police revenue, \$20,250.25. Only a few estimates were not reached. Chief among these was rebate labor tax. For the year 1918 a very large amount was collected in this way, chiefly from foreigners. For 1919 only \$20,000 was expected, and only \$14,957.47 was obtained, a shortage of \$5,042.53. In this connection it may be said that the city fathers are still less far less. The reason is that wages are so high that practically all the young men who formerly paid statute labor tax now earn more than \$700 a year and will have to pay income tax. Rent of real estate last year fell \$10,554.54 below the estimates, and other shortages were \$23,823.20 from the House for Aged and Infirm and \$26.15 from the city. However, had to provide \$23,215.42 for necessary expenditures for which no appropriations were made, bringing shortages up to \$10,508.77 to reduce from surplusage aggregating \$134,572.48, leaving a net balance surplus of \$123,778.62. The statement is as follows:

MAYOR AVERS BRENNAN DEAL WAS ILLEGAL

His Worship Feels Guilty That Council Approved Matter.

His Worship the Mayor did humble penance this morning before the Board of Control, when he acknowledged with considerable chagrin that he had allowed one to be "put over" the city when he did not oppose the purchase by Council of the Brennan property, on Ferguson avenue, for a cement plant at a cost of \$20,000. "I have felt guilty ever since," acknowledged Mayor Becker. "The portion had expired. Any citizen can stop the work at any time. Although I have no objection to our city solicitor, I know that the deal is virtually null and void."

"You may not have realized it," added Controller Davis, "but the paving of the city streets is the most important part of the city's budget. It has been decided that the Government ratification would make the deal legal."

"I'm not. I feel guilty that a deal," said the mayor. "I hope it will never happen again."

ST. THOMAS HOLD-UP

St. Thomas, Feb. 16.—A daring burglary and hold-up took place in this city last evening when the home of St. McLaughlin, Wellington street, was entered during the absence of the owner. The burglar, who was armed with a revolver, entered the house and turned into the hall where he still was working. Found the door unlocked and was met by a masked robber, who was a pale, thin man with a high forehead. Being unarmed, Mr. McLaughlin allowed the robber to pass and made off having secured a small sum of money before he was interrupted.

Sawyer-Massey Held St. Patricks to Tie- Beavers Beat Linkers

Good Games Witnessed in City Hockey League
Last Night—St. Joseph's Won the
Junior G. me

Sawyer-Massey and St. Pat's played the ten minutes overtime in the City League at the arena last night, which result being a 2-2 tie which will have to be played off later. At the end of 40 minutes of play the score stood 2-2 and at last night's game was the last on the schedule for St. Pat's, the team went on the ice for two five-minute periods. Each matched a goal and the officials would not let any more overtime be played. It was the closest game of the night and both squads played fast hockey. Massey did not have their regular lineup and had to use a boy with no experience in the net. With the best players on, they should beat the Irishmen.

The first game of the evening, between Beavers and Linkers, was a close one, the final score standing 2-2 with the Beavers on the long end. Linkers began in two goals and they looked easy winners but in the last 20 minutes of play and scored three goals within minutes. The last play got rough in the last ten minutes and it looked as if there were a few little brawls. Linkers started the rough stuff and the Beavers were not slow in returning it.

The second game, between T. E. Egan's and Armours, was a close one, the final score standing 2-2. Egan's were the better team, but they were not slow in returning it. The game was a close one, the final score standing 2-2. Egan's were the better team, but they were not slow in returning it.

There was only one score made in the first period of the game between Linkers and Beavers. Linkers, being the better team, were fast but with little goal checking. In the second period, the Beavers scored two goals. The game was a close one, the final score standing 2-2.

Women Accused of Starting Riot at the Arena This Morning

Police Had to be Called to Quell the Disturbance—Tigers to Hold Big Practice To-Night

When Tigers and Dentials clashed here in the play-off last March a new attendance record was made at the local arena, but judging from present indications it will be boosted even higher when the two teams clash here in the all important game on Friday night.

Shortly after 4 o'clock this morning two small boys emerged from Woodland Park. One carried two soap boxes and the other was loaded down with blankets. The boys carried crowd of right under the ticket window, and then the process of covering up well with the blankets began.

Stephenson, of the Dentials, is still confined to his bed, but Coach Carroll expects to have him on in time for the Tiger game.

Ottawa, Feb. 16.—The Ottawa Hockey club will be without Gerard and Broadbent, in all probability, when they play Quebec their National League fixture at the local arena on Wednesday night.
